flawless execution

PAST PERFORMANCE HIGHLIGHTS

- Leadership Development Facilitation for annual workshops as part of **Microsoft Americas & Greater China** high potential leadership development and long term global succession planning programs, ranked in the top 10 global programs by Fortune Magazine and Leadership Excellence.
- Facilitated train the trainer sessions to recertify and develop Benefits Advisors for the **U.S. Department of Veterans Affairs** Transition Assistance Program (TAP) - a comprehensive program that provides support to help service members transition to civilian life.
- Project leadership & management for EHR/EMR clinical and non-clinical projects at **Grady Health System** (adult healthcare) and **Children's Healthcare of Atlanta** (a pediatric healthcare system).
- Spearheaded employee training for implementation of an information security program, an initiative with a value of training calculated at \$500,000 based upon an estimated potential financial exposure risk greater than \$1.5MM.
- Planned and executed enterprise-wide technical training initiatives including core system conversions, system/application upgrades and new product implementations.
- Designed curriculum for migration of the **NetBank Inc.** customer service Bank Mail channel, an initiative that saved the company approximately \$200,000 per month in outsourcing costs.

McKieva Sullivan

meet our leadership

Our CEO has more than 15 years of experience leading and developing high performing teams in the corporate, banking, leadership development programs for global organizations with diverse, multicultural audiences and international employee populations around the United States.
